

An Introduction to Positive Behaviour Support: One Day Workshop

This workshop will provide an introduction and opportunity to explore positive behaviour support in the context of providing support to people with complex needs

Register now for your FREE place!

Workshop Information

By attending the workshop, practitioners will develop an understanding of:

- ▶ Key concepts and definitions
- ▶ Knowing the person, and building positive relationships
- ▶ Observing patterns of behaviour in order to understand unmet needs
- ▶ Addressing harmful behaviour by promoting new skills and strategies
- ▶ Strategies for developing positive environments and relationships

Participants will take from the session an overview of these topics, and strategies to take back to their particular workplace and the people they support.

The course is targeted towards service providers, clinicians, case coordinators and educators.

Funding Acknowledgement

Funded by the Australian Government Department of Social Services

Visit www.dss.gov.au for more information.

About the Facilitators

Laura Hogan is an Occupational Therapist (Bachelor of Applied Science) with significant experience working with people with disability across the lifespan. Laura has a special interest in supporting adolescents and adults with complex support needs

Emma Doukakis has a background in law and advocacy for people with disability, and now works in the area of training and education.
