

# Cervical Screening Webinar Invite

The Centre for Disability Studies and the University of Sydney are doing a project

The project is about **cervical screening**

Part of the project is a **webinar**

A **webinar** is an event that happens online

That means you can join on your phone or tablet or computer

The webinar is about making cervical screening accessible for people with disability

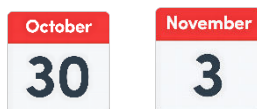

The webinar is free to attend

It is optional to attend

This means you do not have to

The webinar is on 4 different days

You only need to join 1 day

These are the days and times

Wednesday 30 October

5:00–6:00 pm

Monday 3 November

8:00 - 9:00 am

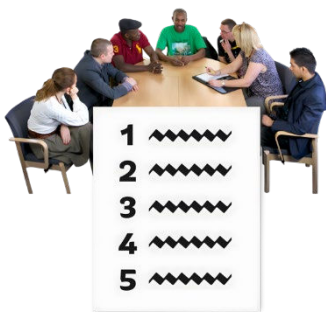

Thu 13 November

12:30 – 1:30 pm

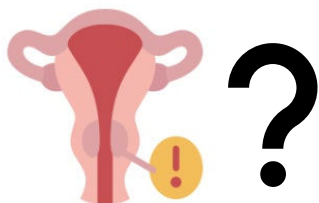

Tuesday 25 November

1:00–2:00 pm

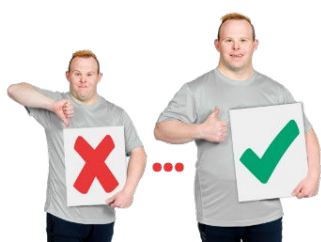

These are the topics we will talk about

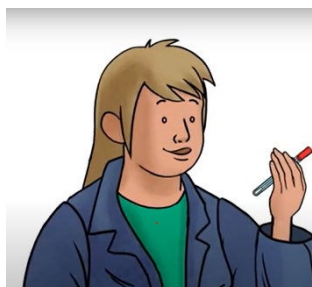

What cervical screening is and why it matters

How to support people with disability

Ways to make the experience easier

Options like self-collection

There will be different people talking at the webinar

There will be...

Professor Deborah Bateson

She is from the University of Sydney

Associate Professor Mary-Ann O'Donovan

She is from the Centre for Disability Studies

Screening Advocates

They are people with disability who will talk about their lived experience

There will be some things to help  
make it more accessible for everyone

Like...

Auslan interpreters

Captions

A short break

We will speak in plain English

Visual descriptions

It will be recorded

This means you can watch it again later
