

Cervical Screening Webinar Invite

We're hosting a free webinar about making cervical screening more accessible for people with disability, please sign up via the Eventbrite page here: <https://EECS-Webinar.eventbrite.com.au>

The webinar will be held on the following dates (Sydney time, AEST).

Please choose one of these dates:

- Wednesday 30 October – 5:00–6:00 pm
- Monday 3 November – 8:00 - 9:00 am
- Thursday 13 November – 12:30 – 1:30 pm
- Tuesday 25 November – 1:00–2:00 pm

The webinar covers:

- What cervical screening is and why it matters
- How to support people with disability
- Ways to make the experience easier
- Options like self-collection

Speakers include:

Professor Deborah Bateson (The University of Sydney) with insights from Associate Professor Mary-Ann O'Donovan and Screening Advocates with lived experience of disability.

Accessibility features:

Auslan interpreters, captions, a short break, plain English, and visual descriptions.

The session will be recorded to catch up later.

Sign up:

Click "Get Tickets" on the registration page or call **+61 2 9036 3600**.

Let us know if there's anything we can do to support access needs.
